MATCHBOX GAME

How many different items can you fit into a matchbox altogether?

Using an old, empty matchbox see how many tiny items you can fit into the box all at the same time

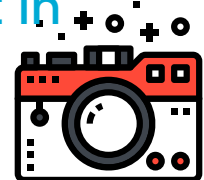

A young girl in America was able to fit 120 things into one matchbox!!! Can you beat her?

I fit

items in my
box

Take a photo of your box and share with us on Facebook what you put in your box.

Don't play with matches, they could start a fire
