TREASURE MAP

Look at the grid and answer the question.
Which box is the bird in?

B, 2	2

	A	B

Ahoy! I am Pirate Pat. I have forgotten where I have buried my treasure can you help me? Follow my instructions and draw an X where you think I buried my treasure.

I could see something red and stripy to the North, I could hear gushing water in the east and canon fire in the south. I could also see snow to my west.

What can you find at these coordinates?

Challenge:

Create your own treasure map. You can make a map of your garden, house or a journey to a special place like the park, school or shops. You may want to hide some buried treasure. Remember X marks the spot! See if someone can follow your map to find the goodies!
