

Through the Wardrobe

Cusworth Hall Winter Trail

Lucy

My brothers and sister keep teasing me. They say I'm just making it all up, but I really did visit a secret, magical place! Now they've hidden all the clothes, and I have to get them back into the wardrobe before anyone notices.

Can you help me find the missing clothes around the hall? There are 6 items in total. Each one has a letter, when you've found them all, they'll spell the name of the place I've been visiting!

75
years

This year marks 75 years since *The Lion, the Witch and the Wardrobe* by C.S. Lewis was first published! It's a magical tale about the four Pevensie children who stumble upon a secret world through a wardrobe – where they meet talking animals, battle a White Witch, and discover the true meaning of bravery and friendship.

Even after all these years, the adventure continues to enchant readers and spark imaginations around the globe.

Through the Wardrobe

The Pevensie children have stepped through the wardrobe and into a land of magic and wonder. In the excitement each child, The White Witch, and Mr Tumnus has lost something very special that belongs only to them. You hold the stickers that match these lost treasures, and it's up to you to help return them.

Hidden throughout the park are six enchanted items. As you journey along the trail, keep your eyes open and your heart curious. When you find a magical belonging, think carefully about which character it might belong to. Once you've made your match, place the sticker next to them to help restore what was lost.

When all the treasures have been found and returned, the magic will guide the Pevensie children home.
